## EXPERIENCE

### Groupon - Senior Product Designer, Design System

OCT '21 - CURRENT : CHICAGO, IL

Designing and maintaining a UI Kit in Figma for Groupon's consumer experience design system. Collaborating with UX peers and developers on implementing an updated design system token architecture across all Groupon digital experiences. Writing support documentation for system users and collaborators.

### Expedia Group - Senior UX Designer, Design Systems

DEC '19 - SEP '21 : CHICAGO, IL

Designed and built components for Ferris and EGDS design systems. Organized and evangelized best practices of system use by creating specification documentation and providing real time support to product designers.

### Expedia Group - UX Designer, Lodging Shopping

NOV '15 - NOV '19 : CHICAGO, IL

Informed by user data, research, and competitive analysis; provided iterative UX product strategy recommendations for the Lodging Shopping platform. Created low to high fidelity interactive prototypes, collaborated with peers, and evangelized for product teams to adopt and contribute back to Lodging Shopping's design system.

### Orbitz - Web Designer, Various teams

JUL '13 - NOV '15 : CHICAGO, IL

Created responsive designs for hotel, flight, and packaging booking paths across all Orbitz Worldwide brands. Drove an initiative to develop a UI kit to increase efficiency and unify the site's visual appearance.

### Sears - Web & Mobile UI Designer

JUN '11 - JUL '13 : CHICAGO, IL

Designed digital solutions across various Sears brands, with a major focus on redesigning the Sears mobile and tablet experiences from scratch. Worked closely with user experience architects, developers, and product managers in an Agile environment.

### Weblinx - Web Designer / Front-end Developer

NOV '09 - MAY '11 : OSWEGO, IL

Created and maintained accessible and cross-browser compatible websites. Directed and designed page layouts in Photoshop, built with HTML, CSS, and javascript libraries. Coordinated with the back-end developer to integrate Weblinx, Inc.'s proprietary CMS. Communicated directly with clients over the phone and in person during the creation and maintenance of their websites.

### Freelance Print / Web Designer

AUG '08 - AUG '09 : NAPERVILLE, IL

Created identity, print, web and point of purchase concepts. Edited, resized, and optimized images and video content for the web. Coded web templates in HTML and CSS. Produced presentation boards, PDFs, updated Word and PowerPoint templates.

### Volition, Inc. - Quality Assurance Tester

NOV '07 - JUL '08 : CHAMPAIGN, IL

Discovered bugs in online multiplayer games for PlayStation 3 and XBOX 360. Prepared clear and concise bug reports for developers. Team leader of technical certification requirements. Coordinated a localization team.
